Inventory List of Reference Standard

Equipment Coordinator:

(Requirement of Calibration: I for internal, E for external calibration/performance checks and N for no need for calibration/check)

Code	Name of Equipment & Software	Model No.	Serial No.	Manufacturer	Date Put in Use	Location	Requirement of Calibration (I/E/N)	Latest Calibration Date	Next Due Date	Remark

Updated:

Inventory List of Auxillary equipment

Normally no specific maintenance requirements except functional check and cleanliness

Equipment Coordinator:

(Requirement of Calibration: I for internal, E for external calibration/performance checks and N for no need for calibration/check)

Code	Name of Equipment & Software	Model No.	Serial No.	Manufacturer	Date Put in Use	Location	Requirement of Calibration (I/E/N)	Latest Calibration Date	Next Due Date	Remark

Updated:

Inventory List of Consumables and Reagents

Apart from stored in designated areas as specified by manufacturers' recommendation, no maintenance and repair requirements

Person in charge: (Requirement of Calibration: I for internal, E for external verification and N for no need for check)

Code	Name of Equipment & Software	Model No.	Serial No.	Manufacturer	Date Put in Use	Location	Requirement of Verification (I/E/N)	Latest verification Date	Next Due Date	Remark

Updated: 19-Feb-24

Inventory List of Software

No specific maintenance and repair requirements

Person in charge:

Code	Computer / Software	Verison no.	Serial No.	Manufacturer	Date Put in Use	Location	Validation date	Next validation date
FC03-TM3-MU	Software	1	NA	NA	19-Feb-24	NA	19-Feb-24	18-Feb-25
